

**Office of Student Financial Support / Student Enrollment and Account Management****2025-26 Verification of Identity**

Your 2025-26 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before disbursing Federal Student Aid, you must confirm the information you reported on your FAFSA. To verify that you provided correct information the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid administrator at your school. Your school may ask for additional information. If you have questions about verification, contact your financial aid administrator as soon as possible so that your financial aid will not be delayed.

**WARNING: Anyone who purposely gives false or misleading information on this worksheet may be fined, sentenced to prison, or both.**
